Parks, Facilities, & Greenway Guide

Matthews Parks, Facilities & Greenway

Enjoy a stroll along the Matthews Four Mile Creek Greenway, relax and play in our many parks, and participate in the many programs offered at our facilities.

Four Mile Creek Greenway

All trail users, including bicyclists, joggers, walkers, people who use wheelchairs, skateboarders, and roller bladers, should be respectful and aware of other users regardless of their mode of travel, speed, or level of skill.

- Greenway trail is open at all times, except for floods or repairs.
- Bicycle lights and reflectors are required from dusk to dawn.
- With the greenway near several neighborhoods please remember to be respectful of people, their lawns, and driveways. Do not "cut through" lawns. Use official greenway entrances.
- For your safety, please walk with a friend. Park your vehicle in an appropriate location and secure valuables in your locked vehicle.
- We love animals but please scoop your pet's poop.
- Greenways are oriented along streams and through wetlands; some areas are subject to flooding, mud, and other slippery conditions. Please dress accordingly and plan ahead for weather conditions.

The following are NOT permitted on or around the greenway:

- Unrestrained pets or pets on leashes over 6 feet in length
- Children under 16 years of age riding bicycles, rollerblades, or skateboards without a helmet
- Operation of unauthorized motor vehicles
- Consumption of alcoholic beverages
- Hunting or possession of weapons and firearms
- Use of ANY Tobacco product
- Collection, removal, or disturbance of any natural or cultural object
- Selling, soliciting, or exhibiting materials
- Damage of park property
- Parking in undesignated parking areas
- Commercial or political signs
- Littering
